

FactSheet

The Carana Beach Hotel, with its 40 Chalets overlooking one of Mahé's most dramatically picturesque beaches, will establish a new category of boutique Seychelles accommodation in 2016.

Carana Beach has been designed to accentuate the wild nature of this unique location, with the view from every room spilling out onto striking blue seas framed by lush jungle, massive granite pillars and its white-sand beach.

Modern twists on traditional island architecture, contemporary ocean-themed décor and a home-grown culture of genuine Seychellois hospitality, backed by decades of success in the Seychelles tourism industry, all feed into a casual yet chic ambience for guests to dine, unwind and recharge.

A reflection of the raw, unprocessed character of the Seychelles, Carana Beach offers a rare proposition: an authentic Seychelles experience that pairs luxurious high-end standards with accessible rates.

Carana Beach will be offering (Unique Selling Points):

- 40 spacious Chalets each with incredible sea views, and positioned within a few steps from the beach
- All Chalets designed to cater for couples as well as families
- International-standard guest amenities with local accents
- Multiple dining options offered throughout the day, including beach orders
- Refreshment Stand Available Daily
- Menu concept inspired and sourced from hotel's family-owned farm
- Bar and lounge with relaxed atmosphere and ocean view
- Beachfront swimming pool
- Uniquely designed beach cabanas with direct beach access
- Spa & Wellness Centre
- 12 Chalets with plunge pool

Room Types

- 28 Ocean View Chalets
- 12 Ocean View Pool Chalets with private plunge pool overlooking the ocean
